EVENTS

3,2,1 BLAST OFF! KICKOFF EVENT

July 11th @ 6:30pm

Explore Space as we embark on an out-of-this-world galactic expedition! Launch into the excitement of Earth, Mars, the moon and beyond as we scale the solar system in a life size interactive demonstration. Examine life in space as we challenge your interplanetary voyagers in Mission: Spacewalk! Analyze the atmosphere and zero gravity with an awesome bell jar experiment. Continue the journey with a combustion reaction that reinforces the nightly marvel known as a shooting star. And, if that is not enough, prepare for liftoff with a miniature rocket launch!

WHO STOLE THE MOON ROCK?

July 17th @ 1pm

An interactive story where children will learn about astronauts and life in space. We'll explore patterns of our own fingerprints using magnifying glasses, magnetic dusting powder and brushes, as well as the different types of DNA, where to find DNA on evidence and how to collect a sample. The kids will take home an ID card with their own fingerprint, DNA sample and hand print. Once the mystery is solved everyone will sample a delicious ASTRONAUT treat.

SIGN UPS REQUIRED, LIMIT 20 CHILDREN

EVENTS

PUPPET PLAY

July 22nd @ 1:30pm

Come down to the NPL to make your own puppet and help put on the play "Aliens Love Underpants"

CAROL AND CREW PUPPET SHOW

July 27th @ 11am

Join us for a fun puppet show with Carol and Crew!

SUMMER READING GAME DAY!

July 30th- Drop in from 10-5pm

Drop in to play board games with friends! We'll have lots of fun activities and board games to choose from!

ALIENS: ESCAPE FROM EARTH

August 8th @ 6:30pm

During a midnight meteor shower, something mysterious falls from the sky toward Earth — but it's not a shooting star. Two curious kids venture into the forest to investigate and find themselves mixed up with a family of visitors from another planet! Pursued by a crazy space scientist, they must risk everything to rescue the aliens and get them back to their spaceship — before it's too late!

Don't miss this action-packed and educational alien adventure using science experiments for special effects. It's totally out of this world!
