

The Newmarket Public Library Presents:

# Aliens: Escape From Earth

Join us for a fun Summer Reading Wrap Up Program  
**Thursday, Aug. 8th at 6:30pm**

During a midnight meteor shower, something mysterious falls from the sky! Two curious kids venture into the forest to investigate and find themselves mixed up with a family of visitors from another planet. Pursued by a space scientist, they must risk everything to rescue the aliens and get them back to their spaceship before it's too late!  
 Don't miss this action-packed and educational alien adventure using science experiments for special effects!

## Conservation Kids!

with NHSaves and NHEEP

Monday, August 19th at 2:30

Join us for a fun and educational workshop for students in K-3rd grade! NHSaves and NHEEP have partnered to bring students a workshop to increase their environmental education. We'll be learning about energy and observing science experiments to show how energy works. The program includes a short storytime, energy experiments, and skill builders for learning about energy conservation!  
 Please call 659-5311 or stop in to the library to register!

# CREATIVEBUG

We have added a new resource for our patrons to use from home. Creativebug gives our patrons unlimited free access to thousands of online art and craft video classes! New content is added weekly, there are projects for all skill levels, and there's a special section for kids! It's not just your typical craft offerings (although those are on there too). There's also a daily practice section, a pattern library, recipes, and materials lists as well.

Want to learn more?

Go to our website and click on the Digital Resources tab at the top of the page. Click on the Creativebug button, enter your library card number at the prompt (enter the card number as one long number, no spaces), and create a free personal account to save your videos and progress in. You're ready to get creative!
