

The Newmarket Public Library Presents:

3, 2, 1 Blast Off! Mad Science Show

Thursday, July 11th at 6:30pm

Explore space as we embark on an out of this world galactic expedition! Launch into the excitement of Earth, Mars, the moon and beyond as we scale the solar system in a life size interactive demonstration. Examine life in space as we challenge your interplanetary voyagers in Mission: Spacewalk! Analyze the atmosphere and zero gravity with an awesome bell jar experiment. Continue the journey with a combustion reaction that reinforces the nightly marvel known as a shooting star! And, if that's not enough, prepare for liftoff with a miniature rocket launch!
