

Newmarket Public Library Presents:

THE PILGRIMS OF WOODSTOCK

with author John Kane

SATURDAY, NOVEMBER 2ND @ 1PM

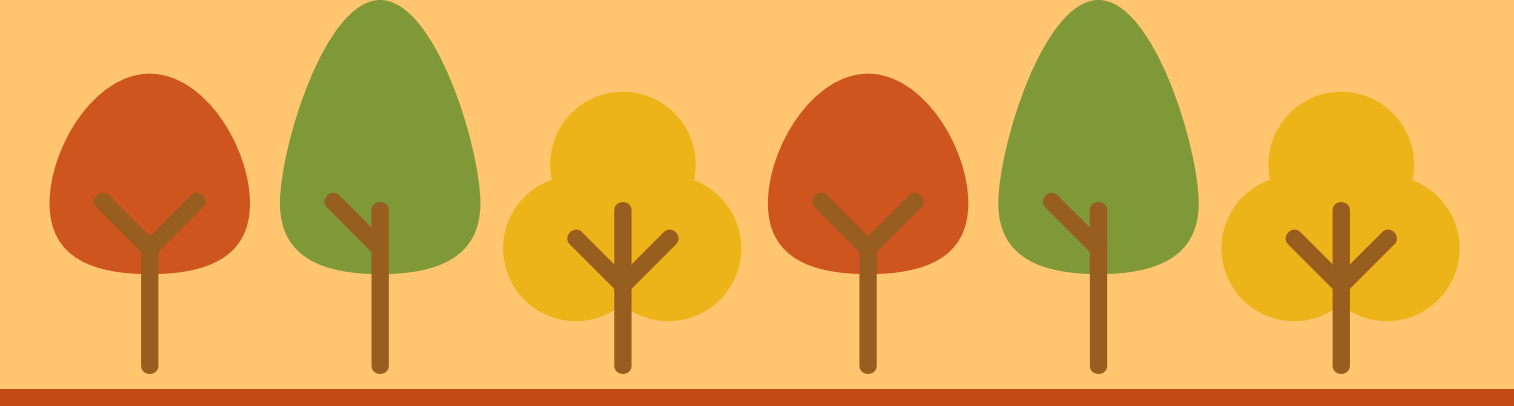

This lecture is FREE and open to the public!

In the summer of 1969, 400,000 people came together and redefined the music scene forever. Though the legacy and lore of Woodstock lives on in the memory of its attendees, a new generation can experience the real and unedited festival through Richard Bellak's never-before-seen photographs and John Kane's incredible new interviews. The book offers a vivid and intimate portrait of the overlooked stars of the festival: the everyday people who made Woodstock unforgettable. Join us for this fascinating look at the Woodstock and a discussion with the author.
